

Criollo HOT CACAO TRUFFLE MIX

Surprise Yourself...

Truffle mix is a cacao powder mix which has a delicious mixture of bitter and sweet flavours. It is made with Criollo cacao. Criollo is a rare variety of cacao, and is only cultivated in a few places. The volume of beans per cacao bush is very low, but then on the other hand, the flavour is exceptional.

With the Criollo bean, you get one of the most delicate cacao flavours and the beans are justifiably considered a delicacy. The right choice when you want good and classic.
